

## Empower your passion for supporting healthy moms and babies!

Are you an aspiring Doula or Lactation Consultant looking to make a difference in your community? Meridian is excited to announce an **\$800 scholarship** opportunity to support your journey toward certification and professional growth!

What this scholarship can cover:

- Tuition
- Application
- Exam
- Training courses
- Training materials

## Who should apply?

This scholarship is designed for individuals committed to supporting birthing individuals and families, particularly those serving underserved communities.

## Why apply?

Meridian is committed to investing in compassionate, skilled birthworkers who will help improve maternal and infant health outcomes across our shared communities.

## How to apply:

Visit [www.mimeridian.com/community/grant-program.html](http://www.mimeridian.com/community/grant-program.html) to download your application.

For questions and to submit your completed application, please email [CommunityGrantProgram@mimeridian.com](mailto:CommunityGrantProgram@mimeridian.com).

## Let's build a stronger, more supported birth community together!

This scholarship can only be awarded once per lifetime. Scholarship funds must go towards tuition, exams, textbooks, or other course-related expenses. Receipts/proof of purchase must be submitted to the health plan timely via [CommunityGrantProgram@mimeridian.com](mailto:CommunityGrantProgram@mimeridian.com). Once certification is obtained, this must also be sent to the health plan via [CommunityGrantProgram@mimeridian.com](mailto:CommunityGrantProgram@mimeridian.com). Awards will be granted to the highest quality applicants. If either of the above are not complete, the award must be repaid within 6 months.

Meridian maintains the right to modify or discontinue this program at any time. Funding for this program will not exceed budgeted amounts.
