Welcome to Meridian

Meridian has a contract with the Michigan Department of Health and Human Services to provide healthcare services to Medicaid Enrollees. We work with a group of doctors and specialists to help meet your needs.

This handbook is your guide to the services we offer. It will also give you helpful tips about Meridian. Please read this book and keep it in a safe place in case you need it again. If you need another copy, it is available upon request and free of charge by contacting Member Services. You can also access this handbook on our website at **mimeridian.com**.

Interpreter Services

We can get an interpreter to help you speak with us or your doctor in any language. We also offer our materials in other languages. Interpreter services and translated materials are free of charge. Call Member Services at **1-888-437-0606** (TTY: **711**) for help getting an interpreter or to ask for our materials in another language or format to meet your needs. Meridian complies with all applicable federal and state laws with this matter.

¿Habla español? Por favor contacte a Meridian al **1-888-437-0606** (TTY: **711**).

Hearing and Vision Impairment

TTY services are available free of charge if you have hearing problems. The TTY line is open 24 hours a day, seven days a week by calling **711**.

We provide free auxiliary aids and services to people with disabilities to communicate effectively with us, such as qualified sign language interpreters, transcription services, and assistive listening devices. We offer the Member Handbook and other materials in Braille and large print upon request and free of charge. Call Member Services at **1-888-437-0606** (TTY: **711**) to request materials in a different format to meet your needs.

Meridian makes sure services are provided in a culturally competent manner to all members:

- With limited English proficiency.
- Of diverse cultural and ethnic backgrounds.
- With a disability.
- Regardless of gender, sexual orientation, or gender identity.

Your State Issued Medicaid ID Card

When you have Medicaid, the Michigan Department of Health and Human Services (MDHHS) will send you a mihealth card in the mail. The mihealth card does not guarantee you have coverage. Your provider will check that you have coverage at each visit. You may need your mihealth card to get services that Meridian does not cover. Always keep this card even if your Medicaid coverage ends. You will need this card if you get coverage again.

If you have questions about this coverage or need a new mihealth card, you should call the Beneficiary Help Line at **1-800-642-3195**. This number is located on the back of your mihealth card.

It is important to keep your contact information up to date, so you don't lose any benefits. Any changes in phone number, email, or address should be reported to MDHHS. You can do this by calling your local MDHHS office or by visiting michigan.gov/mibridges. If you do not have an account, you can create one by selecting "Register." Once in your account, when reporting changes, please make sure you do so in both the profile section and the report changes area.

Your Meridian Member ID Card

You should have received your Meridian ID card in the mail. Call us if you have not received your card or if the information on your card is wrong. Each member of your family in our plan should have their own Member ID card.

Meridian

Healthy Michigan Plan

MICHild program

Your Meridian member ID card lists this information:

- Your name.
- Medicaid ID number.
- Member Services phone number.
- Other special instructions and information.

If you have questions about this coverage or need a new Meridian Member ID card, you should call Member Services at **1-888-437-0606** (TTY: **711**).

Important ID Card Notes

- Carry both cards with you at all times and show them each time you go for care.
- Make sure all of your information is correct on both cards.
- Call your local MDHHS office to change your records if your name or address changes.
- When getting care you may be asked to show a picture ID. This is to make sure the right person is using the card.
- Do not let anyone else use your cards.

Getting Help from Member Services

Meridian complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Meridian does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

Our Member Services department can answer all of your questions. We also provide free aids and services to people with disabilities to communicate effectively with us, such as:

- Qualified sign language interpreters.
- Written information in other formats (large print, audio, accessible electronic formats, and other formats).
- Provides free language services to people whose primary language is not English, such as:
 - Qualified interpreters.
 - Information written in other languages.

We can help you choose or change your doctor, find out if a service is covered, replace a lost ID card, find out how to appeal something we denied, find out how to file a grievance when you are unhappy with your care, help you understand written materials, and more. You can call us anytime.

Contact Us

You may call us at **1-888-437-0606** (TTY: **711**), 24 hours a day, seven days a week.

For urgent medical concerns regarding you or your child's health after hours, we can connect you to our medical Emergency Help Line for assistance. Call **1-888-437-0606** (TTY: **711**), select member, and select nurse advice line from the menu prompt, if this is an emergency, please call **911**.

Our Website

You can visit our website at mimeridian.com to access online services such as:

- Special healthcare program information.
- Member newsletters.
- Privacy information.
- Online Provider Directory.
- Drug Formulary.
- Useful links.
- Health tips.

Confidentiality

Your privacy is important to us. You have rights when it comes to protecting your health information. Meridian recognizes the trust needed between you, your family, and your providers. Meridian staff have been trained in keeping strict member confidentiality.

Away From Home

Take these steps if you are away from home and need medical care:

- Call your provider to talk about your illness or concerns if it is not an emergency.
- Go to the nearest emergency room or call **911** if it is an emergency.

If you are traveling **out of state**, please be aware that only emergency benefits are covered.

Moving?

Don't forget to call us and Michigan Enrolls with your new address.

- Michigan ENROLLS: **1-800-975-7630**
- Meridian: **1-888-437-0606** (TTY: **711**)

Manage Your Digital Health Records/Member Mobile Application

You now have full access to your health records on your mobile device, which lets you manage your health better and know what resources are open to you.

- A new provider can pull up your health history from the past five years.
- You can use an up-to-date provider directory to find a provider or specialist.
- A provider or specialist can use your health history to diagnose you and make sure you get the best care.
- You can see if a claim is paid, denied or still being processed.
- You can take your health history with you as you switch health plans.*

**In 2022, members can start to request that their health records go with them as they switch health plans.*

It's easy to find information** on:

- Claims (paid and denied).
- Specific parts of your clinical information.
- Pharmacy drug coverage.
- Healthcare providers.

***You can get information for dates of service on or after January 1, 2016.*

Visit your online member account through the member portal at **mimeridian.com**.

If You Get a Bill or Statement

Only people on our Healthy Michigan Plan have copays and premium payment responsibilities. Those enrolled in the MICHild program have premiums. You should never get any bills for covered care, preauthorized services, or medical supplies if you are not a part of the Healthy Michigan Plan or MICHild program. If you get a bill by mistake, send it to:

Meridian
Attention: Claims Department
777 Woodward Ave., Suite 710
Detroit, MI 48226

Call **1-888-437-0606** (TTY: **711**) if you have any problems with medical bills for covered care. Sometimes you may get a bill for care you had before you joined our plan. Call your provider's office for help with this type of bill.

Transition of Care

If you're new to Meridian, you may be able to keep your doctors and services for at least 90 days from your enrollment date. Examples include medical, behavioral health, and pharmacy services.

If you are pregnant, you can stay with your doctor through the pregnancy and post-partum period.

If you are a Meridian member and your doctor no longer participates with us, you can continue to see your doctor if you are receiving treatment for certain chronic diseases.

We will not approve continued care by a non-participating doctor if:

- You only require monitoring of a chronic condition.
- The doctor has a restriction, and you might be at risk.
- The doctor is not willing to continue your care.
- Care with the non-participating doctor was started after you enrolled with Meridian.
- The doctor does not meet Meridian policies or criteria.

Meridian will help you choose new doctors and help you get services in our network. Your doctor may call Member Services if they want to be in our network.

If you are receiving Children's Special Health Care Services (CSHCS), please contact us for help transitioning your care services.

Please contact us at **1-888-437-0606** (TTY: **711**) to request transition of care services or if you have any questions about your care.

Choosing A Primary Care Provider

When you enroll in our plan, you will need to choose a primary care provider (PCP). Your PCP is the healthcare provider or doctor who takes care of all your health needs. You can choose a different doctor for each family member, or you can choose one doctor for the whole family.

You can choose one of the following provider types as your primary care provider:

- General practice doctor.
- Family practice doctor.
- Nurse Practitioner.
- Internal medicine doctor.
- Pediatrician doctor.
- OB/GYN doctor.

If you do not choose a doctor within 30 days of enrollment, we will select one for you. You can change your doctor anytime.

You do not need a referral to see an in-network pediatrician or OB/GYN provider for routine and preventive health services.

You can use our provider directory to find doctors and specialists that are in our network. The provider directory lists addresses, office hours, languages spoken, and information about accessibility. It is located at **findaprovider.mimeridian.com/location**. You can view or print the provider directory from the website. You can also request a copy of our provider directory, free of charge by calling **1-888-437-0606** (TTY: **711**). Remember provider information changes often. Visit our website for the most up-to-date information. Call Member Services if you need help finding a doctor.

You can also get medical care from these types of medical providers: Federally Qualified Health Centers (FQHC), Rural Health Clinics (RHCs), Indian Health Care Providers (IHCPs) (as applicable).

If you have certain healthcare needs, you may be able to choose a specialist as your primary care provider. Talk to your doctor or call Member Services for more information.

Make sure you ask the provider office if they participate in the Meridian network.

Getting Care from Your Doctor

Your doctor's office should be your main source for medical health. You should see your doctor for preventive checkups. Call your doctor's office to make an appointment or if you have questions about your medical care. If you need help setting up an appointment, please call us at **1-888-437-0606** (TTY: **711**).

Your visit is important. Please be on time. Call the office as soon as you can if you cannot make it to your visit. You can set up a new visit when you call to cancel. Some offices will not see you again if you do not call to cancel.

Getting Care from a Specialist

If you need care that your doctor cannot give, they will refer you to a specialist who can. Your doctor works with you to choose a specialist and arrange your care. If you have special healthcare needs or a chronic health problem like diabetes or renal disease, you may be able to have a specialist take care of you as your PCP. You do not need referral to see a specialist within the State of Michigan. Talk to your doctor or call Member Services for more information.

Out-of-Network Services

You must get most of your care from providers in our provider network. Member Services can help you find a provider in our network.

If we do not have a doctor or specialist in our provider network in your area who can give you the care you need, or if we do not have a provider that can see you timely, we will get you the care you need from a provider outside our network. This is called an out-of-network referral. We will only cover the services by an out-of-network provider if we are unable to provide a necessary and covered service in our network and if you have approval before your appointment. We will coordinate payment with the out-of-network provider. We also ensure that the cost to you is no greater than it would be if the service was provided in-network.

Out of County Services

You can ask for non-urgent care if you are out of the county, or out of the state, in some situations. You must get prior authorization to do so.

Out of State Services

All services out of the state require prior authorization unless they are in network.

Out of Country Services

Healthcare services provided outside the country are not covered by Meridian.

Physician Incentive Disclosure

For information on how we pay providers in our network, please call member services at **1-888-437-0606** (TTY: **711**).

Prior Authorization

Some services and medications will need to be approved before you or your child can get them. This is called Prior Authorization (PA). Your doctor needs to fill out a PA Request Form and send it to us if you need care that requires PA. We must approve the PA request before you get the care. If we do not approve the

service, we will notify the doctor and send you a written notice of the decision.

Our providers and healthcare staff make decisions based on the care that is right for you and what is covered by your Medicaid benefits. This is called Utilization Management (UM). UM is based on national standards of care created by providers.

We do not reward providers for denying you care. Our employees who make UM decisions are not rewarded for limiting your care. You can call Member Services at **1-888-437-0606** (TTY: **711**) if you have a question about your benefits, providers, or any service you have asked for or received. We are open Monday-Friday, 8 a.m. to 6:30 p.m., Eastern time. When our representatives answer the phone, they will greet you by telling you their name, title, and company. All calls you make are toll-free.

We offer free TTY services to our members with hearing problems. The TTY line is open 24 hours a day, seven days a week, by dialing **711**. Interpreter services and translated materials are also available and free for our members.

Call Member Services at **1-888-437-0606** (TTY: **711**) for help getting an interpreter or to ask for our materials in another language.

Getting a Second Opinion

Meridian will provide a second opinion from a qualified healthcare professional within the network or arrange, if necessary, for one out-of-network second opinion at no cost to the member. Meridian does not require prior authorization for members to access for a second opinion from a provider within their contracted state. A second opinion from a provider that is out of state requires prior authorization. A member can obtain a second opinion from a provider, whether in or out of state, at no cost to them.

Information About Your Covered Services

It is important you understand the benefits covered under your plan. As a Meridian member you do not have to pay copays for covered services. NOTE: You may have copays for covered services if you are a Healthy Michigan Plan member. You may also have to pay a monthly premium for the MIChild program. See Cost Sharing and Copayments section for more information.

If there are any significant changes to the covered services outlined in this handbook, we will notify you in writing at least 30 days before the date the change takes place.

This list of benefits and exclusions may not be a complete list. More benefits not listed here may be available. Limits and exclusions may apply to each item on this list. Your Certificate of Coverage (COC) has the complete list of covered care. If you want a printed copy of the COC or have questions regarding your benefits, contact Member Services.

Make sure a service is covered before the service is done. You may have to pay for services not covered by Meridian under the Medicaid program.

Meridian does not deny reimbursement or coverage for services on any moral or religious grounds.

Telehealth/Telemedicine services

Telehealth/Telemedicine care is a convenient way to get care for a variety of common illnesses without having to go to the emergency room or urgent care. For non-emergency issues, including the flu, allergies, rash, upset stomach, and much more, you can connect with a doctor through your phone or computer to receive care where you are, when you need it. Doctors can diagnose, treat, and even prescribe medicine, if needed. Call your doctor's office to see if they offer telehealth services or contact Member Services for more information.

Covered services include:

It is important you understand the benefits covered under your plan. As a Meridian Medicaid member, you do not have to pay copays for covered services. **NOTE:** You may have copays for covered care if you are a part of our Healthy Michigan Plan. You may also have to pay a monthly premium for the MICHild program.

General Health Care	
Office Visits	Covered
Specialist Visits	Covered

Care Covered by the Michigan Department of Health and Human Services (MDHHS)

This is a list of care covered by the MDHHS. You must use your mihealth card to get this care. This is not a full list.

MDHHS Covered Care and Programs	
Custodial Care	Custodial care refers to care provided by a non-skilled or non-licensed person.
Psychotropic and HIV/AIDS Drugs	MDHHS covers these. Call the Michigan Beneficiary Helpline for information at 1-800-642-3195 .
Therapies (Speech, Language, Occupational and Physical)	Services, including therapies (speech, language, physical, occupational), provided to persons with intellectual and/or developmental disabilities (I/DD) that are billed through Community Mental Health Services Program Providers or Intermediate School Districts.
Skilled Nursing Facility	MDHHS covers intermittent or short-term restorative or rehabilitative care after the Meridian 45-day benefit is used.
Traumatic Brain Injury (TBI) Program	MDHHS offers rehabilitative and home and community-based care to persons who suffered a qualifying traumatic brain injury (TBI). Call the Michigan Beneficiary Helpline at 1-800-642-3195 for more information.

Dental Services

Dental care is important. We offer dental coverage to all beneficiaries ages 19 and 20, enrolled in Healthy Michigan Plan, as well as all enrollees ages 21 and older, enrolled in Medicaid. We are contracted with DentaQuest to provide your dental benefits.

If you have any questions about your dental services, please contact DentaQuest at **1-855-898-1478**.

Covered dental services include:

Diagnostic	
Oral Exam (up to two times in a calendar year)	Covered
X-rays (one in a calendar year)	Covered
Preventative	
Prophylaxis – Cleaning (Once every six months)	Covered
Dental sealant	Covered
Topical application of fluoride	Covered for ages 19-20
Restorative	
Amalgams	Covered
Resins	Covered for ages 21 and under
Crowns	Covered for ages 21 and under
Protective restoration	Covered
Root canal	Covered for ages 21 and under
Endodontic	
Root canal	Covered for ages 21 and under
Periodontal	
Comprehensive periodontal evaluation	Covered
Scaling in the presence of inflammation	Covered
Periodontal maintenance	Covered
Complete and partial dentures	Covered
Scaling and root planing	Covered
Full mouth debridement	Covered

Removable Prosthetics	
Complete denture (upper and lower)	Covered
Partial denture (upper and lower)	Covered
Denture adjustments	Covered
Denture repair	Covered
Denture relines	Covered
Oral and Maxillofacial Services	
Extractions	Covered
Surgical extractions	Covered
Alveoloplasty	Covered
Adjunctive General Services	
General anesthesia	Covered

Please note: Children under age 21 and enrolled in Medicaid are automatically enrolled into the **Healthy Kids Dental** program. The two plans available are Blue Cross Blue Shield of Michigan and Delta Dental of Michigan. You will get an identification card and Member Handbook from the dental plan you are enrolled in. If you are enrolled in this program, please refer to your Healthy Kids Dental Member Handbook for information on your dental benefits. You can also call the Michigan Beneficiary Helpline at **1-800-642-3195** for help.

Transportation Services

Non-Emergency

Your Medicaid benefit provides options for transportation. We provide transportation free of charge for doctor's visits, lab visits, non-emergency hospital services, prescription pick-up, and other covered services. In some cases, we may provide bus tokens or, if you have your own vehicle or someone else to drive you, you can request mileage reimbursement.

Please call Meridian transportation at **1-800-821-9369** for more information and to schedule a ride. Please call two to three days before an appointment so we can make sure we have someone available to transport you. You can request same-day transportation for an urgent non-emergency appointment.

Have this information ready when you call:

- Your name, Medicaid ID number, and date of birth.
- The address and phone number of where you will be picked up.
- The address and phone number of where you are going.
- Your appointment date and time.
- The name of your provider.

Members with any special needs (wheelchair accommodations, oxygen resources, etc.) will want to schedule transportation as early as possible in order to meet your needs with the appropriate vendor.

Please be sure to call us as soon as possible if you need to cancel.

Emergency

If you need emergency transportation, call **911**.

Vision Services

Eye care is an important part of your overall health. To make sure your eyes are healthy and help you see the best you can, we cover the following services:

- One eye exam every 24 months.
- One pair of glasses every 24 months.
- Eye glass frames.
- Contact lenses.

You do not need a referral to get eye care. If you need glasses or an eye exam, call Member Services at **1-888-437-0606** (TTY: **711**). You can also call a provider from our list of vision providers. For medical eye problems, talk to your doctor.

Hearing Services

How well you hear affects your quality of life. We cover services and supplies for the diagnosis and treatment of diseases of the ear, including:

- Hearing exams.
- Medically necessary hearing aid evaluations and fittings.
- Medically necessary hearing aids.

If you need a hearing exam or think you need hearing aids, call Member Services at **1-888-437-0606** (TTY: **711**). You can also call a provider from our list of hearing providers.

Obstetrics and Gynecology Care

You may get routine obstetrics and gynecology (OB/GYN) care and other health services, including routine and preventive services from any provider in our network. There are also family planning services and supplies available from any out-of-network provider without a referral that are covered. You don't need a referral or prior authorization. This includes getting routine care from your OB/GYN even if they aren't your primary care doctor.

To make sure you get the care you need to be at your best for you and your family, we cover:

- ✓ Family planning.
- ✓ Pregnancy testing.
- ✓ Birth control and birth control counseling.
- ✓ HIV/AIDS testing and treatment of sexually transmitted diseases.
- ✓ Pregnancy care, including the Maternal Infant Health Program.
- ✓ Doula services.
- ✓ Depression screening.
- ✓ Prenatal and postpartum care.
- ✓ Midwife services in a healthcare setting.
- ✓ Delivery care.
- ✓ Parenting and birthing classes.
- ✓ Mammograms and breast cancer services, such as treatment and reconstruction.
- ✓ Pap tests.

Family Planning Services

Family planning care is covered. Both men and women can get this care. Family planning is an important part of staying healthy. You can get family planning information from your doctor, OB/GYN, or a Family Planning Center. You do not need a referral from your doctor for this care. Please contact Member Services as soon as you discover you are pregnant to help maximize the support and benefits available to you.

Family planning services include:

- Counseling to help you decide when to have children.
- Help to decide how many children to have.
- Birth control services and supplies. (It is recommended to get a pap test and chlamydia test before getting birth control).
- Sexually transmitted disease testing and treatment.
- Testicular and prostate cancer screening.
- Provider visits.
- Pregnancy testing.
- Voluntary sterilization.
- HIV/AIDS testing and care.

Pregnancy Services

Start Smart for Your Baby is our special program for people who are pregnant. There is no cost to the member. Meridian wants to help you take care of yourself through your whole pregnancy. Our Start Smart for Your Baby staff can provide information by telephone, answer your questions, and give you support if you are having a problem. We can even arrange for a home visit, if needed.

If you are pregnant, early and regular checkups can help protect you and your baby's health. Care should start within the first 12 weeks of pregnancy. Oral care is also important for you and your baby while you are pregnant. Routine dental care can be done during pregnancy. Please call Member Services and your local MDHHS office as soon as you find out you are pregnant, so we can provide support.

Postpartum Care

It's important to take care of yourself after you have a baby. You should have a postpartum checkup seven to 84 days after your pregnancy. We cover this exam.

The doctor may check your blood pressure and your weight. They may talk to you about birth control, feeding options, and provide other postpartum counseling. You can also talk to your doctor about any new feelings you may have.

When you have your baby, let us know. Call your local MDHHS office so your records can be updated. Also call Member Services to report the change. This starts the process of signing your baby up for healthcare services. Your baby is covered by your health plan at the time of birth. Make sure you tell us the day you gave birth, your baby's name, and your baby's Medicaid ID number that you get from your local MDHHS office. We will send a member ID card for your baby within 30 days after we get this information. Call Member Services if you need help.

Change in Family Size

When you experience a change in family size, contact Member Services to let us know, and we will be able to assist you. A change in family size includes marriage, divorce, childbirth, adoption, and/or death. Please reach out to your local MDHHS office if there is a change in family size.

Maternal Infant Health Program (MIHP)

The MIHP is a home visiting program for pregnant people and infants to promote healthy pregnancies, positive birth outcomes, and healthy infant growth and development. MIHP covered services include:

- Prenatal teaching.
- Childbirth education classes.
- Nutritional support, education, and counseling.
- Breastfeeding or formula feeding support.
- Help with personal problems that may complicate your pregnancy.
- Newborn baby assessments.
- Referrals to community resources and help finding baby cribs, car seats, clothing, etc.
- Support to stop smoking.
- Help with substance abuse.
- Personal care or home help services.

Call Member Services for more information on how you can access these services.

Children's Health

Children change a lot as they grow. They should see their doctor at least once a year to check their growth, even if they are healthy. This is known as a well-child visit. Well-child visits are a good time for you to ask questions about your child's health and how it can be better. Children can see a pediatrician for routine preventive care and well-child visits without a referral. Children up to three years old are recommended to have a developmental screening done with their doctor once a year.

Babies from birth through 15 months need at least six well-child visits. These visits often are at these ages:

- 3-5 days
- 2 months
- 9 months
- 2 weeks
- 4 months
- 12 months
- 1 month
- 6 months
- 15 months

It is important for your child to get a blood lead test once before age one and again before age two. Children who are at risk or who are high risk should be checked more often. These children should be tested at least one time per year. Children who are high risk are those who have had lead poisoning in the past. This includes children who live in old homes or apartments. Lead poisoning can happen even if you do not live in an older home. Lead can be found in paint, soil, ordinary dust, playgrounds, and toys, as well as other places. Have your child tested for lead poisoning so that it may be treated. If untreated, lead poisoning can lead to disabilities and behavioral problems. This simple test will help keep your little one on track!

Teenagers should also receive annual well-child visits. At these visits, teens will have their height, weight, and BMI checked. Providers can talk about health, safety, and preventive measures that are useful to teens. Required immunizations can also be given at these visits.

Early Periodic Screening, Diagnosis and Treatment (EPSDT)

EPSDT is a special healthcare program for children under 21 years of age who are covered by Medicaid. Under EPSDT, children and teens enrolled in Medicaid receive all recommended preventive services and any medical treatment needed to promote healthy growth and development.

EPSDT checkups include:

- ✓ Well-care visits.
- ✓ Health history and physical exam, including school and sports physicals.
- ✓ Developmental screening.
- ✓ Health education guidance.
- ✓ Hearing, vision, and dental screening assessment.
- ✓ Physical and mental developmental/behavioral assessments.
- ✓ Crucial lab tests, including lead screening.
- ✓ Nutrition assessment.
- ✓ Immunizations.
- ✓ Follow-up services.

Children's Special Health Care Services

CSHCS is a state program that serves children and some adults with special healthcare needs. It covers more than 2,700 medical conditions. CSHCS enrollees are eligible for:

1 Assistance from the local health department (LHD) with:

- Community resources – schools, community mental health, respite care, financial support, childcare, Early On®, and WIC.
- Healthcare transition.

2 Assistance from the Family Center for Children and Youth with Special Health Care Needs:

- CSHCS Family Phone Line, **1-800-359-3722** (toll-free), open Monday–Friday, 8 a.m. to 5 p.m.
- Parent-to-parent support network.
- Parent/professional training programs.
- Financial help to go to conferences about CSHCS medical conditions.
- Help for siblings of children with special needs to attend the “Relatively Speaking” conference.

3 Assistance from the Children's Special Needs (CSN) Fund. The CSN Fund helps CSHCS families get items not covered by Medicaid or CSHCS. Call 1-517-241-7420 to see if you qualify for help from the CSN fund. Examples of items CSN may be able to provide are:

- Wheelchair ramps.
- Van lifts and tie downs.
- Therapeutic tricycles.
- Air conditioners.
- Adaptive recreational equipment.
- Electrical service upgrades for eligible equipment.

4 Assistance with transitioning to adulthood.

If you meet the specific CSHCS criteria, you will get a letter telling you that you were placed in CSHCS, explaining the program, and giving who you can contact if you have questions.

There is no cost for this program. It doesn't change your child's Meridian benefits, service, or doctors. CSHCS provides services and resources through the following resources through the following agencies.

MDHHS Family Center for Children and Youth with Special Health Care Needs:

This center provides a parent support network and training programs. It may also provide financial help for conferences about special needs and more. If you have questions about this program, call the CSHCS Family Phone Line at **1-800-359-3722** from 8 a.m. to 5 p.m., Monday through Friday.

Local County Health Department:

Your local county health department can help you find local resources. These may include parent support groups, adult transition help, childcare, vaccines, and more. For help finding your local county health department, visit your county's website or Michigan.gov. Call Member Services for assistance.

Children's Special Needs Fund:

The Children's Special Needs Fund helps families get items not covered by Medicaid or CSHCS. These items promote the health, mobility, and development of your child. They may include wheelchair ramps, van lifts, and mobility equipment. To see if you qualify for help from this fund, call **1-517-241-7420**.

CSHCS member transitioning to adulthood:

We can help members who have special healthcare needs on how to plan a successful move from pediatric healthcare to adult healthcare services.

Preventive Healthcare for Adults

Preventive healthcare for adults is important to Meridian. You should have a wellness exam each year to prevent and detect health problems. It is important to find and treat health problems early.

Make sure to schedule an appointment and ask your doctor to check:

- Blood pressure
- Cholesterol
- Diabetes
- Body Mass Index
- Blood sugar
- Depression screening
- Prostate and colorectal screenings

You can also ask your doctor about:

- Immunizations
- HIV/AIDS testing and treatment of sexually transmitted diseases

Preventive health is also about making the right choices for good health habits. Seeing your doctor for routine care is a good preventive health habit that keeps you healthy. We have programs to help you make good preventive health choices for yourself and your family.

You can improve you and your family's health by taking responsibility and following healthy behaviors. Getting needed yearly preventive care is the first step! Some other things you should and should not do to take control of your health are listed below.

Things you should do:	Things you should not do:
<ul style="list-style-type: none">• Eat healthy.• Exercise.• Get enough sleep.• Manage your stress.• Don't smoke or use tobacco.• Don't use drugs or drink alcohol.• Go to the dentist for regular cleanings and preventive services.• Visit your doctor each year for yearly preventive care.	<ul style="list-style-type: none">• Eat foods high in fat, sugar, and salt.• Live an inactive lifestyle.• Hold in your feelings or emotions if you're feeling stressed or depressed.• Use drugs, alcohol, or tobacco.• Forget to set up your dentist visits for regular cleanings and preventive services.• Forget to set up a yearly visit to your doctor.• Avoid going to the doctor.

Disease Management

- Members can enroll by calling member services.
- Programs focus on empowering members, goal setting, and creating healthy behaviors to manage and prevent disease.

Program	Topic	Overview
Respiratory Program	<ul style="list-style-type: none">• Asthma• COPD	The respiratory program, focused on Asthma and COPD, provides telephonic outreach, education, and support services to promote adherence to treatment guidelines, prevent acute exacerbations, reduce healthcare utilizations, promote therapeutic regimen, participant self-management, and annual physician visits, and optimize functional status.
Cardiac Program	<ul style="list-style-type: none">• Coronary Artery Disease (CAD)• Heart Failure	The cardiac program provides telephonic outreach, education, and support services to promote participant adherence to cardiac guidelines, prevent subsequent cardiac events, and optimize functional status.
Diabetes Program	<ul style="list-style-type: none">• Diabetes	The Diabetes program provides telephonic outreach, education, and support services to optimize blood glucose, blood pressure, and lipid control to minimize the development and/or progression of diabetic complications; optimize nutrition, healthy-eating options, and self-care behaviors; improve self-management skills to increase compliance associated with HbA1c, lipids, and blood pressure testing; and promote statin therapy for patients with cardiovascular disease and diabetes.

Hepatitis C

Treatment is available for Hepatitis C. Hepatitis C is a liver infection caused by the Hepatitis C virus. It's spread through contact with blood from an infected person, even amounts too small to see. People with Hepatitis C often don't feel sick or show symptoms. When symptoms do appear, they're often a sign of advanced liver disease. It's important to get tested (screened) for Hepatitis C before it becomes severe, when it's easier to treat. All adults should be screened for Hepatitis C at least once. Pregnant beneficiaries should be screened during each pregnancy.

For members under age 21, the screening is covered under the Early and Periodic Screening, Diagnosis, and Treatment program, or EPSDT. This includes coverage of any medically necessary follow-up services and referrals.

Hospital Care

Hospital care is for care like delivering a baby or taking care of a bad sickness. It also covers care you would get in the hospital, like lab tests or x-rays. Your doctor sets up your hospital care if you need it. A different doctor at the hospital may fill in for your doctor to make sure you get the care you need if an emergency happens.

You should call your doctor as soon as you are admitted (checked in) to the hospital if it was not arranged by your doctor. Ask a family member or friend to call for you if you cannot. It is important to call your doctor right away and set up a visit within seven days of being sent home. You can talk about and arrange your care after you leave the hospital during this follow-up visit.

Emergency Care

Emergency care is for a life-threatening medical situation or injury that a reasonable person would seek care right away to avoid severe harm. Here are some examples of emergencies:

Convulsions.	Broken bones.
Uncontrollable bleeding.	Loss of consciousness (fainting or blackout).
Chest pain.	Jaw fracture or dislocation.
High fever.	Tooth abscess with severe swelling.
Serious breathing problems.	Knife or gunshot wounds.

If you believe you have an emergency, call **911** or go to the emergency room. You do not need an approval from Meridian or your doctor before getting emergency care. You can go to any hospital. Be sure to follow up with your doctor to make sure you get the right follow-up care and services.

Urgent Care and After-Hours Care

Urgent care centers and after-hours clinics are helpful if you need care quickly but can't see your primary care doctor. You don't need a referral or prior authorization to go to an urgent care center or after hours-clinic in our network.

These places can treat illnesses that should be cared for within 48 hours, such as the flu, high fevers, or a sore throat. They can also treat ear infections, eye irritations, and low back pain. If you fell and have a sprain or pain, it can be treated at an urgent care center.

If you aren't sure if you need urgent care, call your doctor. They may be able to treat you in their office.

Routine Care

Routine care is for things like:

- Yearly wellness exams.
- School physicals.
- Health screenings.
- Immunizations.
- Vision and hearing exams.
- Lab tests.

Your doctor should set up a visit within 30 business days of request.

Mental Health and Substance Abuse Services

We want you to feel your best, including your mental and emotional feelings. To help you, we cover short-term treatment for mental or emotional needs. This applies to members with mild to moderate mental health services. These visits may be with a network therapist, such as a counselor, licensed clinical social worker, or psychologist. Telehealth may be an option for you. Talk to your mental health provider to learn more. Treatment for long term, severe mental conditions, or severe emotional disturbances for children, as well as inpatient and intensive outpatient treatment must be arranged through the local Community Mental Health Services Program (CMHSP) agency. CMHSP can also help refer you to the right local agency when you or a family member has problems or concerns about drugs or alcohol. If you feel you have a substance abuse problem, we encourage you to seek help. If you need help getting services, call your doctor or Member Services.

Signs and symptoms of substance abuse:

- Failure to finish jobs at work, home, or school.
- Being absent often.
- Performing poorly at work or school.
- Using alcohol or drugs when it is dangerous. This includes while driving or using machines.
- Having legal problems because of drinking or drug use.
- Needing more of the substance to feel the same effects.
- Failing when trying to cut down.
- Failing when trying to control the use of the substance.
- Spending a lot of time getting the substance.
- Spending a lot of time using the substance.
- Spending a lot of time recovering from the substance's effects.

- Giving up or reducing important social, work, or recreational activities because of substance use.
- Continuing to use the substance even though it has negative effects.

If you have questions about your mental health or substance abuse benefits call Meridian Behavioral Health Services at **1-888-222-8041**. You can also call your local CMHSP agency.

If you need emergency care for a life-threatening condition, or if you're having thoughts of suicide or death, go to the nearest emergency room or call 911. You can also call the Suicide and Crisis Lifeline by dialing 988. Help is available for you now.

Home Health Care, Skilled Nursing Services, and Hospice Care

Sometimes, you may need long-term care. To help you get the care you need, we may cover:

- Short-term nursing home services up to 45 days in a nursing facility (long-term care is provided by the State of Michigan).
- Home healthcare services for members who are homebound.
- Supplies and equipment related to home healthcare.
- Hospice care.

Care Coordination

Do you have a chronic health problem or disability? Do you have barriers that are causing you issues with accessing your care? Do you see multiple providers or need special care? It's easy to feel overwhelmed with being in charge of your care if you have many health issues and see many providers. It can add more stress to your daily life. We are here to help you!

Our goal is to offer personalized care coordination services to help guide you through healthcare. We have nurses, care coordinators, social workers, and other health experts to help you get the best care possible from your care team.

The care coordination program focuses on you and your needs. We help you reduce the barriers you are having accessing your care by linking you to services and resources near you to help improve your health. We also assist you in reducing your barriers by helping to arrange care with your care team and providers. This ensures you are able to better manage your health and improve your quality of life.

How Can Care Coordination Help You?

If you are eligible, you will be assigned your own care coordinator. This person helps you address and eliminate barriers that cause you issues with obtaining care by:

- Completing assessments and reviewing medications.
- Making a plan of care to help you identify and meet your health goals.
- Linking you with services and community resources near you, including the local health departments.
- Helping you better control your healthcare needs.
- Collaborating with your providers.
- Taking a person-centered approach in the management of your care needs by supporting you and your care team with understanding the medical and behavioral health benefits.

Call Member Services for more information about the care coordination program.

Special Healthcare Programs

Program Name	Description
Care Coordination	Helps members with all their healthcare needs by giving them tools to help manage their chronic conditions.
Catching A Breath	A member outreach program to provide education on Chronic Obstructive Pulmonary Disease (COPD), improve self-management techniques, and help with risk factors through materials and assessment completions. Meridian partners with American Therapy Centers to provide an eight-week in-home respiratory therapy program for applicable members.
Flu Outreach	Encourages members to get the flu shot in order to help with preventive care and keep members healthy
Sickle Cell Disease Program	Provides additional support to members and their families with treatment needs and barriers to care.
We Treat Hepatitis C	Provides support and education regarding recommended testing and treatment guidelines.
Smoking Cessation	Offers educational materials, a personal Smoking Cessation Health Coach, and coaching calls to help members quit smoking.
Transition of Care	Helps with the transition from hospital to home by providing support and education for the member, family, and caregiver.

Community Health Workers (CHW)

Community Health Workers are the front-line public health workers within the community, assisting members with navigating healthcare. CHW serve as a bridge between healthcare and social services by building trusting relationships. CHW's full range of services include:

- Meeting face to face to improve your access to healthcare.
- Helping others find providers and set up visits.
- Finding local support, like food and housing.
- Teaching ways to live a healthy life.
- Helping with provider follow-up visits after going to the hospital or emergency room.
- Helping set up rides for medical or pharmacy visits.

Contact Member Services for more information.

Durable Medical Equipment

Some medical conditions need special equipment. Durable medical equipment we cover includes:

- Equipment such as nebulizers, crutches, wheelchairs, and other devices.
- Disposable medical supplies, such as ostomy supplies, catheters, peak flow meters, and alcohol pads.
- Diabetes supplies, such as lancets, test strips, insulin needles, blood glucose meters, and insulin pumps.
- Prosthetics and orthotics – Special note: Prosthetics replace a missing body part, such as a hand or leg. They may also help the body function. Orthotics correct, align, or support body parts that may be deformed.

To get durable medical equipment, you need a prescription from your doctor. You may also need prior authorization from us. You must get your item from a network provider. To find network durable medical equipment providers, call Member Services.

Benefits Monitoring Program

We participate in MDHHS' Benefits Monitoring Program. This program helps ensure you're using the correct benefits and services to manage your care. If the services you use aren't needed for your health condition, we'll enroll you in this program. We'll teach you the proper use of medical services and help you get services from appropriate providers. Examples of things that could get you enrolled in this program include:

- Going to the emergency room when it's not an emergency.
- Seeing too many different doctors instead of your primary care doctor.

- Getting more medicines than may be safe.
- Activity that may indicate fraud.

Using the right health services in the right amount helps us make sure you're getting the very best care.

Tobacco Cessation

We want to help you quit smoking. If you smoke, talk to your doctor about quitting. If you are pregnant and smoke, quitting now will help you and your baby. Your doctor can help you. Meridian can also help you. To get more information, call Member Services. We cover the following services to help you:

- Therapy and counseling services.
- Educational materials.
- Prescription inhalers or nasal sprays used to stop smoking.
- Non-nicotine drugs.
- Over-the-counter items to help you stop smoking:
 - Patches
 - Gums
 - Lozenges
- Meridian's Tobacco Cessation:
 - Program offers telephonic outreach, education, and support services to members in support of changing unhealthy behaviors and motivating individuals to achieve their health goals.
 - This program is offered to current tobacco users with an interest in quitting in the next 30 days.
 - Members can reach out to Member Services to be enrolled.
 - Programs for:
 - Adults
 - Minors
 - Pregnant members
 - Program overview:
 - Quit date preparation.
 - Identification of tobacco cues and coping strategies.
 - Individualized cessation plan.
 - Risk factor education.
 - Instruction on appropriate use of prescription and over-the-counter pharmacotherapy, including nicotine replacement therapy.

Cost Sharing and Copayments

MiChild Members:

Families with children who are enrolled through MiChild pay \$10 a month for all eligible children in the family. If you have questions about your MiChild premiums, call MiChild at **1-888-988-6300** (TTY: **1-888-263- 5897**).

Healthy Michigan Plan Members:

You will be required to pay a copayment for some services covered under the Healthy Michigan Plan. You are only responsible for copayments if you are age 21 or older. No copayments are required for family planning products or services, pregnancy related products or services, or preventive healthcare services. Copayments will be made directly to MDHHS through a special healthcare account called the MI Health Account and not paid at the time you receive a service. Copayments will not be collected for the first six months after enrollment in our health plan but will be paid to us through your MI Health Account at a later time. To make payments to your MI Health Account, please contact Michigan Enrolls at **1-800-975-7630**.

Medicaid Members:

You do not have to pay a copay or other costs for covered services under the Medicaid program. You must go to a doctor in Meridian Medicaid network, unless otherwise approved. If you go to a doctor that is not in Meridian Medicaid network and did not get approval to do so, you may have to pay for those services.

Services Covered by Medicaid not Meridian

Meridian does not cover all services that you may be eligible for as a member of Medicaid.

Services Covered by State of Michigan Medicaid:

The following services are covered by the State of Michigan Medicaid program. You must use your mihealth card to get this care. If you have questions about these services talk with your doctor or your local Department of Health and Human Services. You can also contact the Michigan Beneficiary Helpline at **1-800-642-3195**.

- Services provided by a school district and billed through the Intermediate School District.
- Inpatient hospital psychiatric services.
- Outpatient partial hospitalization psychiatric care.
- Intermittent or short-term restorative or rehabilitative services (in a nursing facility beyond 45 days).
- Behavioral health services for enrollees meeting the guidelines under Medicaid's policy for serious mental illness or severe emotional disturbance.

- Substance abuse care including:
 - Screening and assessment
 - Detox
 - Intensive outpatient counseling
 - Other outpatient care
 - Methadone treatment

Your State of Michigan Medicaid benefit provides options for transportation to and from these visits. If you need transportation to or from an appointment, and live in Wayne, Oakland, and Macomb counties, call ModivCare at **1-866-569-1902** to arrange a ride. If you do not live in Wayne, Oakland, or Macomb counties, contact your local MDHHS office.

MDHHS office locations and phone numbers may be found at **michigan.gov/mdhhs/inside-mdhhs/county-offices**.

Non-Covered Services

- Elective abortions and related services.
- Experimental/investigational drugs, biological agents, treatments, procedures, devices, or equipment.
- Elective cosmetic surgery.
- Services for the treatment of infertility.

Additional Information for Healthy Michigan Plan Members

As a Healthy Michigan Plan member, you are eligible to receive a healthy behavior incentive. You must take part in healthy behavior activities, as well as filling out a Healthy Michigan Health Risk Assessment form each year with your provider and committing to a healthy behavior. These choices may include quitting smoking, losing weight, lowering your blood pressure or cholesterol, or getting a flu shot. You may qualify for a reduction in your cost-sharing contribution, depending on your income.

Take action today:

- Call your primary care doctor for an appointment within 60 days. You should see your doctor within 150 days of joining our plan.
- Fill out sections 1, 2, and 3 of the Health Risk Assessment form. Take your form to your doctor's appointment. Your doctor will complete section 4 and return the form to us. You will need to complete this form every year. Please call us if you need a form.

Rights and Responsibilities

You have rights and responsibilities as our member. Our staff will respect your rights. We will not discriminate against you for using your rights. This Medicaid Health Plan and any of its affiliated providers will comply with the requirements concerning your rights.

You have the Right to:

- Receive information about your healthcare services.
- Be treated with dignity and respect.
- Receive Culturally and Linguistically Appropriate Services (CLAS).
- Have your personal and medical information kept private.
- Participate in decisions regarding your healthcare, including the right to refuse treatment and express preferences about treatment options.
- Be free from any form of restraint or seclusion used as a means of coercion, discipline, convenience, or retaliation.
- Request and receive a copy of your medical records, and request those be amended or corrected.
- Be furnished with healthcare services consistent with State and federal regulations.
- Be free to exercise your rights without adversely affecting the way the contractor, providers, or the State treats you.
- To file a grievance, to request a State Fair Hearing, or have an external review, under the Patient's Right to Independent Review Act.
- Be free from other discrimination prohibited by State and federal regulations.
- Receive information on available treatment options and alternatives, presented in a manner appropriate to your condition and your ability to understand.
- Receive Federally Qualified Health Center and Rural Health Center services.
- To request information regarding provider incentive arrangements including those that cover referral services that place the provider at significant financial risk (more than 25%), other types of incentive arrangements, and whether stop-loss coverage is provided.
- To request information on the structure and operation of the Meridian.
- To make suggestions about our services and providers.
- To make suggestions about member rights and responsibilities policy.
- To request information about our providers, such as license information, how providers are paid by the plan, qualifications, and what services need prior approval.

You have the Responsibility to:

- Review this handbook and Meridian Certificate of Coverage.
- Make and keep appointments with your Meridian doctor.
- Treat doctors and their staff with respect.
- Protect your Medicaid ID cards against misuse.
- Contact us if you suspect fraud, waste, or abuse.
- Give your Health Plan and your doctors as much info about your health as possible.
- Learn about your health status.
- Work with your doctor to set care plans and goals.
- Follow the plans for care that you have agreed upon with your doctor.
- Live a healthy lifestyle.
- Make responsible care decisions.
- Contribute towards your health by taking responsibility, including appropriate and inappropriate behavior.
- Apply for Medicare or other insurance when you are eligible.
- Report changes to your local MDHHS office if your contact info (like your address or phone number) changes.
- Report changes that may affect your Medicaid eligibility to your local MDHHS office (like changes in income or changes to your family size). You can call your local MDHHS office or go to **newmibridges.michigan.gov/**.

Grievances and Appeals

We want you to be happy with the services you get from Meridian and our providers. If you are not satisfied, you can file a grievance or appeal.

Grievances are complaints that you may have if you are unhappy with our plan or if you are unhappy with the way a staff person or provider treated you. Appeals are complaints related to your medical coverage, such as a treatment decision or a service that is not covered or denied. If you have a problem related to your care, talk to your doctor. Your doctor can often handle the problem. If you have questions or need help with the appeal process, call Meridian at **1-888-437-0606** (TTY: **711**).

Grievance Process

We want to know what is wrong so we can make our services better. If you have a grievance about a provider or about the quality of care or services you have received, let us know right away. If you aren't happy with us or your doctor, you can file a grievance at any time. Meridian has special procedures in place to help members who file grievances. We will do our best to answer your questions or help to resolve your concern. Filing a grievance will not affect your healthcare services or your benefits. These are examples of when you might want to file a grievance:

- Your provider or a Meridian staff member did not respect your rights.
- You had trouble getting an appointment with your provider in an appropriate amount of time.
- You were unhappy with the quality of care or treatment you received.
- Your provider or a Meridian staff member was rude to you.
- Your provider or a Meridian staff member was insensitive to your cultural needs or other special needs you may have.

You can file your grievance on the phone by calling Meridian at **1-888-437-0606** (TTY: **711**). You can also file your grievance in writing via mail or fax at:

Meridian
Grievance Coordinator
P.O. Box 44287
Detroit, MI 48244

Fax: **833-660-1734**

In the grievance letter, give us as much information as you can. For example, include the date and place the incident happened, names of the people involved, and details about what happened. Be sure to include your name and your Medicaid member ID number. You can ask us to help you file your grievance by calling **1-888-437-0606** (TTY: **711**). We will let you know when we have received your grievance. We may contact you for more information.

At any time during the grievance process, you can have someone you know represent you or act on your behalf. This person will be your “representative.” If you decide to have someone represent you or act for you, inform Meridian in writing with the name of your representative and their contact information. Your grievance will be resolved within 90 calendar days of submission. We will send you a letter of our decision.

Appeal Process

An appeal is a way for you to ask for a review of our actions. If we decide that a requested service or item cannot be approved, or if a service is reduced or stopped, you will get an “Adverse Benefit Determination” letter from us. This letter will tell you the following:

- The adverse benefit determination the contractor has made or intends to make.
- Your right to be provided upon request and free of charge, copies of all documents, records, and other information used to make our decision.
- What action was taken and the reason for it.
- Your right to file an appeal and how to do it.
- Your right to ask for a State Fair Hearing and how to do it.
- Your right in some circumstances to ask for an expedited appeal and how to do it.
- Your right to ask to have benefits continue during your appeal, how to do it, and when you may have to pay for the services.

You may appeal within 60 calendar days of the date on the Adverse Benefit Determination letter. If you want your services to stay the same while you appeal, you must say so when you appeal, and you must file your appeal no later than 10 calendar days from the date on the Adverse Benefit Determination. The list below includes examples of when you might want to file an appeal.

- Not approving or paying for a service or item your provider asks for.
- Stopping a service that was approved before.
- Not giving you the service or items in a timely manner.
- Not telling you of your right to freedom of choice of providers.
- Not approving a service for you because it was not in our network.

You can file your appeal on the phone by calling Meridian at 1-888-437-0606 (TTY: 711). You can also file your appeal in writing via mail or fax at:

Meridian
Appeals Coordinator
P.O. Box 44287
Detroit, MI 48244

You have several options for assistance. You may:

- Call Member Services and we will assist you in the filing process.
- Ask someone you know to assist in representing you. This could be your primary care provider or a family member, for example.
- Choose to be represented by a legal professional.

To appoint someone to represent you, either: 1) send us a letter informing us that you want someone else to represent you and include in the letter their contact information or, 2) fill out the Authorized Representative Appeals form. You may call and request the form or find this form on our website at **mimeridian.com**.

We will send you a notice saying we received your appeal. We will tell you if we need more information and how to give us such information in person or in writing. A provider with the same or similar specialty as your treating provider will review your appeal. It will not be the same provider who made the original decision to deny, reduce, or stop the medical service.

Meridian will send our decision in writing to you within 30 calendar days of the date we received your appeal request. Meridian may request an extension up to 14 more calendar days in order to get more information before we make a decision. You can also ask us for an extension if you need more time to get additional documents to support your appeal.

We will call you to tell you our decision and send you and your authorized representative the Decision Notice. The Decision Notice will tell you what we will do and why.

If Meridian's decision agrees with the Notice of Adverse Benefit Determination, you may have to pay for the cost of the services you got during the appeal review. If Meridian's decision does not agree with the Notice of Adverse Benefit Determination, we will approve the services to start right away.

Things to keep in mind during the appeal process:

- At any time, you can provide us with more information about your appeal, if needed.
- You have the option to see your appeal file.
- You have the option to be there when Meridian reviews your appeal.

How Can You Expedite Your Appeal?

If you or your provider believes our standard timeframe of 30 calendar days to make a decision on your appeal will seriously jeopardize your life or health, you can ask for an expedited appeal by writing or calling us. If you write to us, please include your name, member ID number, the date of your Notice of Adverse Benefit Determination letter, information about your case, and why you are asking for the expedited appeal. We will let you know within 24 hours if we need more information. Once all information is provided, we will call you within 72 hours from the time of your request to inform you of our decision and will also send you and your authorized representative the decision notice.

How Can You Withdraw an Appeal?

You have the right to withdraw your appeal for any reason, at any time, during the appeal process. However, you or your authorized representative must do so in writing, using the same address as used for filing your appeal. Withdrawing your appeal will end the appeal process and no decision will be made by us on your appeal request. Meridian will acknowledge the withdrawal of your appeal by sending a notice to you or your authorized representative. If you need further information about withdrawing your appeal, call Meridian at **1-888-437-0606** (TTY: **711**).

What Happens Next?

After you receive the Meridian appeal Decision Notice in writing, you do not have to take any action and your appeal file will be closed. However, if you disagree with the decision made on your appeal, you can take action by asking for a State Fair Hearing from the Michigan Office of Administrative Hearings and Rules (MOAHR) and/or asking for an external review under the Patient Right to Independent Review Act (PRIRA) from the Michigan Department of Insurance and Financial Services (DIFS). You can choose to ask for both a State Fair Hearing and an external review or you may choose to ask for only one of them.

State Fair Hearing Process

You, your representative, or your provider can ask for a State Fair Hearing with MOAHR. You must do this within 120 calendar days from the date of your appeal denial notice. A Request for Hearing form will be included with the notice of appeal decision that you receive from us. It has instructions that you will need to review. If you want to continue your services during the State Fair Hearing process, you must ask for a State Fair Hearing Appeal within 10 calendar days of the date on the decision notice. If you do not win this appeal, you may be responsible for paying for the services provided to you during the appeal process. You can also ask for a State Fair Hearing if you do not receive a decision from us within the required time frame.

Call Meridian at **1-888-437-0606** (TTY: **711**) if you need a hearing request form sent to you. You may also call to ask questions about the hearing process. You will get a written notice of hearing from MOAHR, telling you the date and time of your hearing. Most hearings are heard by telephone, but you can ask to have a hearing in person. During the hearing, you will be asked to tell an administrative law judge why you disagree with our decision. You will get a written decision within 90 calendar days from the date your request for hearing was received by MOAHR. The written decision will explain if you have additional appeal rights.

If the standard timeframe for review would jeopardize your life or health, you may be able to qualify for an expedited State Fair Hearing. If you qualify for one, MOAHR must give you an answer within 72 hours. However, if MOAHR needs to gather more information that may help you, it can take up to 14 more calendar days.

If you have any questions, you can call MOAHR at **1-800-648-3397**.

External Review of Appeals

You, your representative, or your provider can ask for an external review with DIFS under the Patient's Right to Independent Review Act – PRIRA. You must do this within 127 calendar days from the date of your appeal denial notice. An external review form will be included with the notice of appeal decision that you receive from us. It has instructions that you will need to review. DIFS will send your appeal to an Independent Review Organization (IRO) for review. A decision will be mailed to you in 14 calendar days of accepting your appeal. You can also ask for an external review if you do not receive a decision from us within the required time frame. You, your authorized representative, or your doctor can also request a fast appeal decision from DIFS within 10 calendar days after receiving a final determination. DIFS will send your appeal to an IRO for review. You will have a decision about your care within 72 hours. During this time period, your benefits will continue.

Community-Based Supports and Services

We want to provide efficient and appropriate care in a timely manner. We also connect our members to community resources.

- Do you and your family struggle with having enough to eat?
- Do you need help finding a place to stay, or do you need heating assistance?
- Do you need a ride to your doctors' appointments?
- Do you need help with employment?

If you answered yes to any of the above questions, we can help. We know it's difficult to get to your doctor for important health screenings or other care when you're facing these challenges. If you're struggling with a similar problem, or need assistance, reach out to your care manager. If you don't have a care manager, and need help please call Member Services at **1-888-437-0606** (TTY: **711**).

You can also access resources at the following:

- Online through our website: **mimeridian.com**
- Online through the State of Michigan portal: **newmibridges.michigan.gov**
- Online through the Michigan 2-1-1 website: **mi211.org**

Developmental Disability: Your local Community Mental Health Services Program (CMHSP) provides help if you or a family member has a developmental disability (cerebral palsy, intellectual disability, autism, challenging or troubling behaviors, or an IQ of 70 or below).

Early On® Program: Offers resources to help children ages 0-3 with special needs. This program is offered through the Michigan Intermediate School Districts (ISDs).

Students with Disabilities (ages 3-26): The ISDs provide physical, speech, and occupational therapy services.

Women, Infants, and Children (WIC) is a free program that provides a combination of nutrition education, supplemental foods, breastfeeding promotion and support, and referrals to healthcare. Call **1-800-262-4784** to find a WIC clinic near you or call Member Services for assistance.

Care Management

We offer a care management program for members with chronic and/or complex health conditions. This is a voluntary program that allows you to talk with a care coordinator about your healthcare.

A care coordinator helps you:

- Coordinate care between healthcare providers.
- Set personal goals to manage your medical conditions.
- Talk to your doctors or other providers when you need help.

- Understand your medical conditions.
- Access community-based supports, services, and resources.

If you are interested in joining this program, please call Member Services to be connected with a care coordinator.

We cover most care without a referral or medical review. However, some care needs prior authorization (PA). Your provider has a list of care that needs PA. Your provider needs to fill out a Prior Authorization Request Form and send it to us if you need care that requires PA. The PA request must be approved before you can get the care. When a provider submits a PA form, clinical staff reviews the request(s) and decides if:

- It is medically necessary, which means that the healthcare services or supplies needed to diagnose or treat an illness, injury, condition, disease, or its symptoms meet accepted standards of medicine.
- You can get the care from a provider in our network.
- Seeking services out of network may require PA. All out-of-state services require prior authorization.

Providers may refer a member for care coordination via the secure Meridian Provider Portal, utilizing the “Notify CM” button, or by calling Meridian at **1-888-437-0606** (TTY: **711**).

Make Your Wishes Known: Advance Directives

Meridian supports your right to file an “Advance Directive” according to Michigan law. This document is a written statement of your wishes for medical care. It explains, in advance, what treatments you want or don’t want if you have a serious medical condition that prevents you from telling your provider how you want to be treated.

The state of Michigan only recognizes an advance directive called a *durable power of attorney for healthcare*. There are two kinds of advance directives in Michigan:

Living Will – A living will tells others how you feel about care that continues your life. This kind of care includes:

- The use of dialysis and breathing machines.
- Tube feedings.
- Organ or tissue donation.
- If you want to be saved when your breathing or heartbeat stops.

Durable Power of Attorney for Healthcare – To create one, you will need to choose a patient advocate. This person carries out your wishes and makes decisions for you when you cannot. It is important to pick a person that you know and trust to be your advocate. Make sure you talk with the person to let them know what you want.

Talk to your family and primary care physician about your choices. File a copy of your advance directive with your other important papers. Give a copy to the person you designate as your patient advocate. Ask to have a copy placed in your medical record.

Call Member Services or visit our website **mimeridian.com** for more information and the forms you need to write an advance directive.

If your wishes aren't followed or if you have a complaint about how your provider follows your advance directive, you may file a complaint with:

Department of Licensing & Regulatory Affairs
BPL/Investigations & Inspections Division
P.O. Box 30670 Lansing,
MI 48909-8170

Call: **517-373-9196**

Or click below:

<https://www.michigan.gov/lara/bureau-list/bpl>

Click on *File a Complaint*

If you have complaints about how Meridian follows your wishes, you may call the state of Michigan's Department of Insurance and Financial Services. Call toll-free at **1-877-999-6442** or go to **michigan.gov/difs**.

Help Identify Healthcare Fraud, Waste and Abuse

Medicaid pays doctors, hospitals, pharmacies, clinics, and other healthcare providers to take care of adults and children who need help getting medical care. Sometimes, providers and patients misuse Medicaid resources. Unfairly taking advantage of Medicaid resources leaves less money to help other people who need care. This is called fraud, waste, and abuse.

Fraud

Fraud is purposefully misrepresenting facts. Here are some examples of fraud:

- Using someone else's member ID card.
- Billing for services that were not provided.
- Changing a prescription written by a doctor.
- Billing for the same service more than once.

Waste

Waste is carelessly or ineffectively using resources. It is not a violation of the law, but it takes money away from healthcare for people who need it. Here are some examples of waste:

- Using transportation services for non-medical appointments.
- Doctors ordering excessive or unnecessary testing.
- Mail order pharmacies sending you prescriptions without confirming you still need them.

Abuse

Abuse is excessively or improperly using those resources. Here are some examples of abuse:

- Using the emergency room for non-emergent healthcare reasons.
- Going to more than one doctor to get the same prescription.
- Threatening or offensive behavior at a doctor's office, hospital, or pharmacy.
- Receiving services that are not medically necessary.

You Can Help

We work to find, investigate, and prevent healthcare fraud. You can help. Know what to look for when you get healthcare services. If you get a bill or statement from your doctor or an Explanation of Benefit Payments statement from us, make sure:

- The name of the doctor is the same doctor who treated you.
- The type and date of service are the same type and date of service you received.
- The diagnosis on your paperwork is the same as what your doctor told you.

Healthcare fraud is a felony in Michigan. Being involved in fraud or abuse can put your benefits at risk or make other legal problems. If you suspect fraud, waste, and abuse has taken place, please report it. You do not have to give your name. You can report fraud, waste, or abuse to us at:

Meridian
Attn: Fraud, Waste and Abuse Department
777 Woodward Avenue, Suite 700
Detroit, MI 48226

Toll-Free: **1-844-667-3560**

Email: **fwa.mi@mhplan.com**

You may also report or get more information about healthcare fraud by writing:

Office of the Inspector General
P.O. Box 30062
Lansing, MI 48909

Or call toll-free: **1-855-MI-FRAUD (1-855-643-7283)**

Or visit: **michigan.gov/fraud**. Information may be left anonymously.

New Technology

We want to make sure you have access to new health technologies and procedures. You can recommend that we cover new technology. Our providers and clinical staff will research the new technology before it is approved. Any updates that affect you are noted in the Member Newsletter. This information comes from medical professional groups, Medicaid, other government groups, and scientific groups.

Helpful Definitions

Definitions

These managed care definitions will help you better understand certain actions and services throughout this handbook.

Appeal: An appeal is the action you can take if you do not agree with a coverage or payment decision made by your Medicaid Health Plan. You can appeal if your plan:

Denies your request for:

- A healthcare service.
- A supply or item.
- A prescription drug that you think you should be able to get.

Reduces, limits or denies coverage of:

- A healthcare service.
- A supply or item.
- A prescription drug you already got.

Your plan stops providing or paying for all or part of:

- A service.
- A supply or item.
- A prescription drug you think you still need.

Does not provide timely health services

Copayment: An amount you are required to pay as your share of the cost for a medical service or supply. This may include:

- A doctor's visit.
- Hospital outpatient visit.
- Prescription drug.

A copayment is usually a set amount. You might pay \$2 or \$4 for a doctor's visit or prescription drug.

Durable Medical Equipment: Equipment and supplies ordered by a healthcare provider for everyday or extended use. This may include:

- Oxygen equipment.
- Wheelchairs.
- Crutches.
- Blood testing strips for diabetics.

Definitions

Emergency Medical Condition: An illness, injury, or condition so serious that you would seek care right away to avoid harm.

Emergency Medical Transportation: Ambulance services for an emergency medical condition.

Emergency Room Care: Care given for a medical emergency when you think that your health is in danger.

Emergency Services: Review of an emergency medical condition and treatment to keep the condition from getting worse.

Excluded Services: Medical services that your plan doesn't pay for or cover.

Formulary: The formulary is a list of drugs that can be used for treatment and to improve health outcomes. The Meridian formulary is created based on the Michigan Single Preferred Drug List (PDL). Meridian uses clinical advice from providers, pharmacists, and other medical experts to create the most up-to-date formulary. The formulary has prescription drugs and some over-the-counter drugs.

The formulary lists drugs that are covered and drugs that need prior authorization. Drugs on the formulary that need prior authorization will require your provider to submit a form. If prior authorization is approved, the drug will be covered. Your provider can fill out a Prior Authorization Request Form and fax it to Meridian at **1-877-355-8070** or submit a web-based Prior Authorization request on **covermymeds.com**.

If a medication is covered or approved, your provider needs to write you a prescription to get it filled at the pharmacy. The formulary is on our website at **mimeridian.com**. Look under "Our Plans," select "Michigan," choose your plan, then select "Members," and formulary information can be found under "Pharmacy." Call **1-866-984-6462** if you want a printed copy.

How can I request a formulary exception?

There are drugs that are not on the formulary. We do not cover or pay for drugs that are not on the formulary unless there is an exception. Some drugs are excluded by the State of Michigan. No exceptions can be made for these drugs.

If a drug does not work for you or the drug makes you sick, your provider can ask for a different drug for your health issues. Your provider will need to fill out a Formulary Exception Form if the new drug is not on the formulary. Your provider can fax the form to Meridian at **1-877-355-8070** or submit a web-based request on **covermymeds.com**. **NOTE:** We must approve the formulary exception before you can fill the prescription from your provider.

Definitions

Grievance: A complaint that you let your plan know about. You may file a grievance if you have a problem calling the plan or if you're unhappy with the way a staff person or provider treated you. A grievance is not the way to deal with a complaint about a treatment decision or a service that is not covered or denied (see Appeal).

Habilitation Services and Devices: Healthcare services that help a person keep, learn, or improve skills and functioning for daily living. These services can be done inpatient or outpatient and may include:

- Physical and occupational therapy.
- Speech-language pathology.
- Services for people with disabilities.

Health Insurance: Health insurance is a type of coverage that pays for medical and/or drug costs for people. It can pay the person back for costs from illness or injury. It can also pay the provider directly. Health insurance requires the payment of premiums (see premium) by the person getting the insurance.

Home Health Care: Healthcare services that a healthcare provider decides you need in your home for treatment of an illness or injury. Home health care helps you regain independence and become as self-sufficient as you can.

Hospice Services: Hospice is a special way of caring for people who are terminally ill and provide support to the person's family.

Hospitalization: Care in a hospital that needs admission as an inpatient and could require an overnight stay. An overnight stay for you to be looked after could be outpatient care.

Hospital Outpatient Care: Care in a hospital that usually does not need an overnight stay.

Medicaid Health Plan: A plan that offers healthcare services to members who meet State eligibility rules. The State contracts with certain Health Maintenance Organizations (HMO) to provide health services for those who are eligible. The State pays the premium on behalf of the member.

Definitions

Medically Necessary: Healthcare services or supplies that meet accepted standards of medicine needed to diagnose or treat:

- Illness
- Injury
- Condition
- Disease
- Symptom

Network: Healthcare providers contracted by your plan to provide health services. This includes:

- Doctors
- Hospitals
- Pharmacies

Network Provider/Participating Provider: A healthcare provider that has a contract with the plan as a provider of care.

Non-Participating Provider/Out-of-Network Provider: A healthcare provider that *does not* have a contract with the Medicaid Health Plan as a provider of care.

Physician Services: Healthcare services provided by a person licensed under state law to practice medicine.

Plan: A plan that offers healthcare services to members that pay a premium.

Preauthorization: Approval from a plan that is required before the plan pays for certain:

- Services
- Medical equipment
- Prescriptions

This is also called prior authorization, prior approval, or precertification. Your plan may require preauthorization for certain services before you receive them. This excludes an emergency.

Definitions

Premium: The amount paid for healthcare benefits every month. Medicaid Health Plan premiums are paid by the State on behalf of eligible members.

Prescription Drug Coverage: Health insurance or plan that helps pay for prescription drugs and medications.

Prescription Drugs: Drugs and medications that require a prescription by law by a licensed Provider.

Primary Care Provider (PCP): A licensed physician, nurse practitioner, clinical nurse specialist, or physician assistant, as allowed under state law, who provides and manages your healthcare services. This can also be called a Primary Care Physician. Your primary care provider is the person you see first for most health problems. They make sure that you get the care you need to keep you healthy. They also may talk with other doctors and healthcare providers about your care and refer you to them.

Provider: A person, place, or group that's licensed to provide healthcare, like doctors, nurses, and hospitals.

Referral: A request from a PCP for his or her patient to see another provider for care.

Rehabilitation Services and Devices: Rehabilitative services and/or equipment ordered by your doctor to help you recover from an illness or injury. These services can be done inpatient or outpatient and may include:

- Physical and occupational therapy.
- Speech-language pathology.
- Psychiatric rehabilitation services.

Skilled Nursing Care: Services in your own home or in a nursing home provided by trained:

- Nurses
- Technicians
- Therapists

Definitions

Specialist: A licensed physician specialist that focuses on a specific area of medicine or a group of patients to diagnose, manage, prevent, or treat certain types of symptoms and conditions.

Urgent Care: Care for an illness, injury, or condition bad enough to seek care right away but not bad enough that it needs emergency room care.

Notice of Privacy Practices

This summary tells you how personal and medical information about you may be used and disclosed and how you can access it. Please visit **mimeridian.com** for the full Notice of Privacy Practices (NPP). You can also call us at **1-888-437-0606** (TTY: **711**) to ask for a printed copy.

Information We Have

We have enrollment information about you. This includes your date of birth, sex, ID number, and other personal information. We also get bills, provider reports, and other information about your care.

Our Privacy Policy

We care about your privacy. We guard your information carefully in oral, written, and electronic form. We are required to keep your information private by law. We must also give you this Notice of Privacy Practices (NPP). We will not sell any information about you. Only people who have both the need and the legal right may see your information. Unless you give us written authorization, we will only give out your information for:

Treatment

We may give out your medical information to help coordinate your care. For example, we may notify your provider about care you received in an emergency room.

Payment

We may use and give out your information so that your providers can bill us and get paid for your care. For example, we may ask an emergency room for details about your care before we pay the bill.

Business Operations

We may use and give out your medical information for our business operations. For example, we may use your medical information to check the quality of your care.

As Required by Law

We will give out your information when the law requires it. For example, we may give out your information for court orders or to prevent health emergencies.

Authorizations

We may use and give out your personal information if you give us written permission. You have the right to change your mind and take back that permission.

Copies of this Notice

You have the right to get a copy of this NPP at any time. You are entitled to a paper copy of this NPP even if you agreed to get it electronically. Please call or write to us to get a copy.

Changes to this Notice

We have the right to change this NPP. A revised NPP will be effective for any medical information we already have about you and for any future information we may get. We are required by law to comply with the most current notice. Any changes to our notice will be printed in our Member Newsletter.

Your Right to Inspect and Copy

You have the right to inspect the information we have about you and to get copies of it. You must ask for it in writing. We can deny your request for some reasons, but we must give you a written reason for our denial. We may charge a fee for copying your records.

Your Right to Amend

You can ask us in writing to change your information if you think it is incomplete or wrong. We can deny your request for some reasons, but we must give you a written reason for our denial.

Your Right to a List of Disclosures

You have a right to get a list of our disclosures of your information, except when you authorized those disclosures or if the disclosures are made for care, payment, or healthcare operations. You must ask in writing. We are not required to give you a list of disclosures made before April 14, 2003.

Your Right to Request Restrictions on our Use or Disclosure of Information

You have the right to ask for restrictions on the information we may use or give out about you. You must ask us in writing. We are not required to agree to such requests.

Your Right to Request Confidential Communications

You have the right to ask that we tell you about medical matters in a certain way or at a certain location. You must ask us in writing. For example, you can ask that we only contact you at home, only at a certain address or only by mail.

How to Use Your Rights Under This Notice

Your request to use your rights under this notice must be in writing. You can call us for help writing your request, if needed.

Complaints to the Federal Government

If you believe your privacy rights have been violated, you have the right to file a complaint with the federal government. You may write to:

Centralized Case Management Operations U.S. Department of Health & Human Services
200 Independence Avenue, S.W.
Room 509F, HHH Bldg.
Washington, D.C. 20201

You can also visit their website at **hhs.gov/ocr**. You will not be penalized for filing a complaint with the federal government.

Complaints and Communications to Us

To use your rights under this NPP, talk with us about privacy or file a privacy related complaint, write to:

Meridian
Privacy Officer
777 Woodward Ave, Suite 700
Detroit, MI 48226

You can also call Member Services at **1-888-437-0606** (TTY: **711**). You will not be penalized for filing a complaint.

Notice of Non-Discrimination

Meridian complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Meridian does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

Meridian:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
 - Qualified sign language interpreters
 - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
 - Qualified interpreters
 - Information written in other languages

If you need these services, contact Meridian's Grievance Coordinator.

If you believe that Meridian has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with Meridian's Grievance Coordinator. You can file a grievance in person or by mail, fax, or email. If you need help filing a grievance, Meridian's Grievance Coordinator is available to help you.

Mail: Meridian
Attn: Grievance Coordinator
P.O. Box 10353
Van Nuys, CA 90410-0353

Telephone: 888-437-0606 (TTY users should call 711)

Fax: 833-669-1734

Email: medicaidgrievances@mhplan.com

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office for Civil Rights Complaint Portal, available at

<https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at:

U.S. Department of Health and Human Services
200 Independence Avenue, SW
Room 509F, HHH Building
Washington, D.C. 20201

800-368-1019, 800-537-7697 (TDD)

Complaint forms are available at **<http://www.hhs.gov/ocr/office/file/index.html>**.
