**G0466-G0470, G0463, G0480, G0451 Denying for Exyw**

**Impacted Program(s):** Medicaid

**Time Period:** 4/1/2022 - Present

**Details:**

G codes were incorrectly denying with an Exyw denial code (NOT MEDICALLY NECESSARY OR INELIGIBLE SERVICE PER CMS OR PLAN RULES). Customization was put in place to exclude G codes from this edit. After state guidance received, system update will only exclude codes that have an APC rate.
