Payspan: A Faster, Easier Way to Get Paid

Payspan Health is a free solution that helps providers transition into electronic payments and automatic reconciliation.

Payspan Health offers innovative provider solutions:

-  **Improve cash flow**
by getting payments faster
-  **Settle claims electronically**
through Electronic Fund Transfers (EFTs) and Electronic Remittance Advice (ERA)
-  **Eliminate re-keying of remittance data**
by choosing how you want to receive remittance details
-  **Create and organize custom reports**
including ACH, monthly and payment summary reports
-  **Maintain control over bank accounts**
by routing EFTs to the bank account(s) of your choice
-  **Match payments to advice quickly**
and easily re-associate payments with claims
-  **Manage multiple payers,**
including any payers that are using Payspan to settle claimss

How to set up your Payspan Health Account:

Call **1-877-331-7154** to get your unique registration code.

- To begin registering, enter your PIN, TIN or EIN, and NPI. Click **Start Registration** and enter the requested information. Once complete, click **Confirm**.

Within a few business days, you will receive a deposit of less than \$1 from Payspan Health. Follow these steps to complete registration:

1. Log in to Payspan Health and click Payments.
2. Click the Account Verification link to the left side of the screen.
3. Enter the amount of deposit in this format: 0.00.

Congratulations! Your registration is complete.

Each line of business requires separate registration to receive payments through your preferred method.

Need a code to add a new line of business?
Call 1-877-331-7154.
