

Patient Experience Provider Summit

Join Meridian at our Patient Experience Provider Summit this coming spring!

Meridian's CEO, CMO, and Quality team will present with in-depth discussion on the importance of an excellent patient experience, highlighting how Meridian and Providers can work together to make a positive impact. Enjoy light refreshments and network with other providers. Office managers and administration staff also welcome to attend. We are also offering a \$100 Walmart gift card per practice as a token of appreciation for your participation in the summit.
