

Finding In-Network Behavioral Health Providers

OCTOBER 2020

MICHIGAN

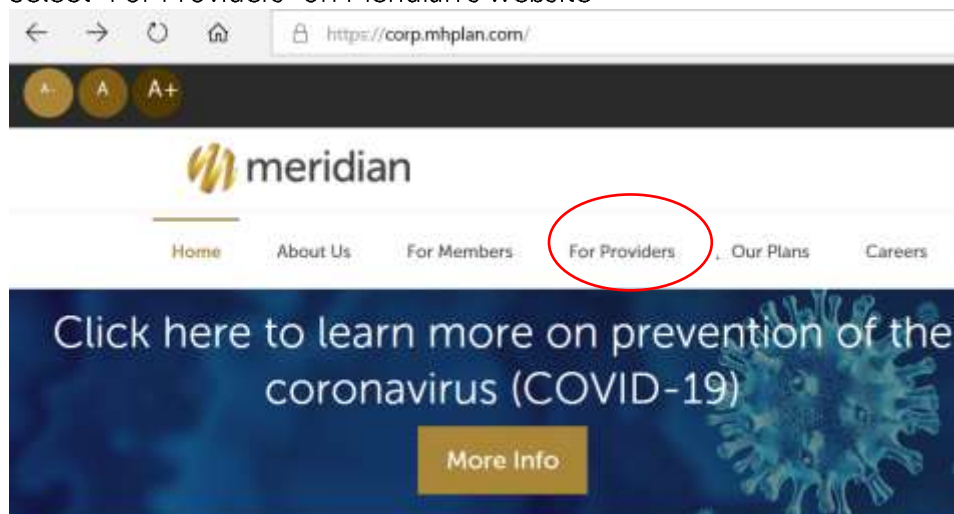

Dear Providers,

Meridian recognizes that providers are increasingly referring patients to mental and behavioral health specialists as many mental health conditions are being triggered or exacerbated as a result of troubling current events.

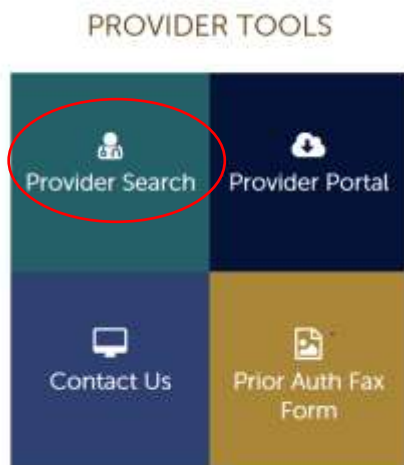

Meridian's in-network Behavioral Health or Mental Health providers are located under "Mental Health" specialties in the Provider Directory.

In order to find an in-network provider on Meridian's website, follow the steps outlined below. First, access the Provider Directory by going to corp.mhplan.com.

1. Select "For Providers" on Meridian's website

2. Select "Provider Search"
