State-preferred PCMH providers completed an application expressing interest in the state-preferred PCMH model, facilitated by Michigan Department of Health and Human Services (MDHHS) in the spring of 2019. The state-wide PCMH program began with the State Innovation Model (SIM) PCMH model as its foundation and MDHHS-established criteria for PCMH providers. State-preferred providers have shown their dedication to expanding and sustaining the PCMH model in Michigan. Meridian state-preferred providers received a letter in the mail identifying their eligibility for this program.

Care Coordination (CC)/Case Management (CM) Codes
