Dear Provider,

As we've communicated in the past, we are excited to share that Michigan Complete Health is merging with MeridianComplete. Michigan Complete Health will change its name to MeridianComplete, effective January 1, 2022. Member ID cards will be branded as MeridianComplete.

In preparation for this change, you can access MeridanComplete (Medicare-Medicaid Plan) tools and resources on our website at <u>mmp.mimeridian.com</u>, and register for the provider portal at <u>provider.mimeridian.com</u>.

Please refer to the Provider Manual available on the MeridianComplete website for billing and payment details. Claims will be accepted electronically through Availity with payer ID: MHPMI.

If you have questions regarding this change or your contracted status, please contact your Provider Network Specialist or Provider Services at **1-855-323-4578** (TTY: **711**). Thank you for being a valued partner.

Sincerely,

MeridianComplete (Medicare-Medicaid Plan)
