

Behavioral Health Fee Schedule Update

January 2023

Michigan

Dear Providers,

A recent review found that Meridian was paying contracted non-physicians at a higher reimbursement rate than was set by the Michigan Department of Health and Human Services (MDHHS).

The issue was due to a system configuration error which we promptly corrected in December 2022, and the affected providers are now being compensated at the accurate, MDHHS-designated rate for non-physicians.

Telehealth services will be reimbursed in accordance with the non-physician fee schedule. Meridian will not perform takebacks from providers associated with the fee schedule update, unless the claims are the subject of a Fraud, Waste and Abuse investigation.

Sincerely,
Meridian
