

2023 Meridian Z-Code Social Determinants of Health (SDoH) Incentive Program

Meridian recognizes that health care goes beyond standard testing and treatments and includes screening patients for social determinants that may be having a negative impact on their health. To reward providers for this work, Meridian is pleased to share our Z-Code SDoH incentive program.

Effective June 1, 2023, all providers are eligible for incentives for screening patients for SDoH needs. Screening for SDoH needs and providing resources and services to address them has been found to reduce health risks and decrease the cost of care leading to healthier patients overall. Meridian would like to reward our providers who are going above and beyond to care for their patients' whole health. We look forward to partnering with you to provide the best care for our members!
