Here is your Meridian Michigan provider directory. It lists all of the providers in our network. These providers include:

- Primary Care Physicians (PCPs) and Specialists
- Hospitals and Urgent Care Facilities
- Behavioral Health
- Federally Qualified Health Centers (FQHC)
- Dental
- Ancillary Providers
- Skilled Nursing Facilities (SNF)
- Clinics
- Pharmacies
- Vision

Each of these providers will make his or her own decisions about the care you need. Meridian Michigan is not responsible for these decisions. Some providers may not perform certain services due to their religious or moral beliefs.

We've listed all of the providers by county. Then we've grouped them together by the type of care or services they give. We've also included:

- The providers' addresses and phone numbers
- Symbols to tell you whether the provider is accepting new patients, board certified or wheelchair accessible

We have a provider look-up tool on our website. Go to **mimeridian.com**. Then click on the "Find a Provider" icon. You'll be able to search for providers right in your area. This is the best place to get our most current directory information.

Call us if you have questions about this directory. We can help you find a provider. We can even help set up an appointment for you. Our toll-free number is **888-437-0606**. TTY users can call **711**. You can reach us Monday–Friday, 8 a.m. to 6:30 p.m. EST.

We wish you good health.

How to Read Our Provider Listings

Provider name _____ Smith, Joe, MD
Provider ID: 111111     

Practice name _____ Your Family Medical Center

Provider gender _____ Male/Female

Provider address & phone number _____ 123 Main Street

Icon Guide

Indicates provider is board certified

Indicates provider has wheelchair access

Indicates provider is not accepting new patients

Accessible by Public Transportation

Indicates whether or not provider has completed Cultural Competency Training

* PCMH stands for Patient Centered Medical Home. This is a way of giving care that involves a team of healthcare professionals. The team works together to meet the needs of each patient.
